

# About us

Alegre is a company specializing in road transport and freight forwarding. Our headquarters are located in Malbork, with branches in Gdańsk and Elbląg.

We have been operating in the transport market continuously since 1999.

For our Partners, this means safety and trust.

# What Distinguishes Us?

Digital methods of delivery optimization

**How It Works** 

You prive us the order, and our precise IT systems take care of the planning.

### **Other Services**

01

### Warehouse logistics

Short-term and long-term storage of goods in a modern warehouse, tailored to the needs of our Partners.

02

### Cross-docking

We will transship goods along the way to streamline the delivery process.
